

Calendar Kids Art Contest

for pediatric kidney patients

Enter the American Kidney Fund's 23rd Annual Art Contest. Winning art will be featured online and published in our 2019 calendar!

Put your pencils, brushes, crayons and imagination to work!

We'll select 13 talented artists and print their winning artwork in our 2019 calendar that's distributed nationwide. All winners will receive a great prize. The cover art winner will also **win a free trip to Washington, D.C.**, to be recognized during the American Kidney Fund's annual gala, The Hope Affair, on October 3, 2018.

Who is eligible?

Children (16 or younger) who:

- ✓ Have kidney disease
- ✓ Are on dialysis or have received a kidney transplant
- ✓ Live in the United States

* If you have won twice before, you are not eligible.

What should I draw?

Use your imagination! Your drawing may be about kidneys, patriotic themes, seasons, things that make you happy, ways to stay healthy, or whatever you like. Do not use copyrighted characters (like Mickey Mouse, Sponge Bob, etc.) or pro sports teams.

How is the cover art chosen?

We will choose 13 submissions to appear in the calendar, and will have an online voting contest in April. The artwork that receives the most votes will be featured on the cover.

What should I send?

Please send us your original artwork, a completed contestant form (you may get one at your dialysis center, doctor's office or on our website) and a recent, clear, close-up photograph of yourself to be featured in the calendar alongside your winning artwork. A school picture works best. Please write your name and age on the back of the photograph.

Artwork Guidelines

Your drawing must be on white, unlined, 8½" x 11" paper, in a horizontal, flat format. You may use crayons, markers, paint, or make a collage (as long as you use only flat materials). And be sure to write your name and the title of your drawing on the back of your entry. Please note that artwork will not be returned.

- White sheet (8½" x 11")
- Name and title of drawing on back
- Original artwork
- No copyrighted characters, logos, or pro sports teams

What if I have questions?

Call the American Kidney Fund's Education Department at 800.638.8299, ext. 7052. You may also find information at your dialysis center, doctor's office or on our website.

We must receive all artwork by **March 23, 2018.**
