8:30 a.m. - Check-in and networking

10 a.m. - Walk begins

Greenway Plaza Office Park, 155 Pinelawn Road, Melville, NY

ABOUT THE AMERICAN KIDNEY FUND

The American Kidney Fund (AKF) is the leading nonprofit working on behalf of 31 million Americans with kidney disease. Since 1971, we've been helping people fight kidney disease and live healthier lives. Our vision is that one day there will be a world without kidney disease, but until that day comes, every kidney patient should have access to health care and every person at risk should be empowered to prevent it.

Our New York office is located at 145 Pinelawn Road, Suite 320N, Melville New York 11747. You can contact the Director of the New York office, Arlene Dayboch at 516-513-5247 or adayboch@kidneyfund.org.

TOGETHER WE ARE...

- Helping 1 out of every 5 U.S. dialysis patients with need-based financial assistance
- Providing local free kidney disease screenings to over 10,000 nationwide
- Issuing AKF grants to more than 93,000 patients in all 50 states last year
- Raising public awareness about kidney disease through our outreach and award winning website
- Educating more than 12,000 health care professionals on

topics relevant to the field

- Advocating in local, state and federal levels, with a network of 6,000 people strong from all 50 states, to ensure that policymakers hear from kidney patients on key issues

WHAT IS THE KIDNEY NATION NETWALK

The KIDNEY NATION NetWalk is a great opportunity to network and walk with local Long Island businesses and community members in Greenway Plaza Office Park in Melville, New York. This is the second year for the NetWalk and serves to raise awareness and help fund the fight against kidney disease.

YOUR DONATION AT WORK

We spend 97 cents of every donated dollar on programs that directly serve patients. We provide these critically needed services while maintaining a 4-star rating from Charity Navigator, the nation's leading charity watchdog agency. For our excellent fiscal management, we are proud to be on Charity Navigator's list of top 10 charities in the United States, out of 8,000 reviewed.

WHY SHOULD MY COMPANY BECOME A SPONSOR

IMPACT — serve more patients than any kidney health nonprofit in the country

PUBLIC RELATIONS — you care about the health and welfare of your community

COST SAVINGS — prevention keeps employees healthier, happier and more productive

INCREASE BRAND AWARENESS — through media and communications programs
