Kidney Information

August 15, 2009
10am – 2pm
Apostolic Church of God
6320 S. Dorchester Ave.
Chicago, IL 60637

The American Kidney Fund will provide a **free medical screening** to check for indicators of kidney health, heart health, diabetes, and other important health measures.

The screening is **open to anyone 18 and older**. An 8-hour fast before the testing will give the most accurate results.
