

TAKE CHARGE *of your* HEALTH

FREE HEALTH SCREENING

Saturday, March 17, 2012
Kappa Alpha Psi Fraternity, Inc
Community Health Fair

12:00 pm – 4:00 pm
Gaylord Hotel National Harbor
201 Waterfront St.
National Harbor, MD 20745

Tests offered:
Blood draw (kidney function)

Kidney disease is damaging the health of as many as 31 million Americans. Diabetes and high blood pressure are the leading causes of kidney disease.

The **American Kidney Fund** provides free health screenings to check for indicators of kidney and heart health, diabetes, and other important health measures. Screenings are open to anyone 18 and older.
