Dear Renal Professional,

We recently received an American Kidney Fund (AKF) Medicare Part D Bone Care Program Application for one of your patients. Thank you for applying on behalf of your patient. At this time, the AKF Medicare Part D Bone Care Program has reached enrollment capacity due to extremely high demand for this program.

No additional applications will be accepted, including adding patients to the wait list, for 2009.

Applications for the 2010 enrollment period will be accepted beginning November 1, 2009. You may re-apply on behalf of your patient at that time.

Please feel free to contact AKF's Patient Services Department at 1-800-638-8299, if you have questions.

Sincerely,  
American Kidney Fund
