

2023–2024 Carolyn Wilson Dialysis Patient Scholarship

Exclusively for residents of Arkansas, Louisiana or Oklahoma

Program Guidelines and Application

The American Kidney Fund is pleased to announce the **Carolyn Wilson Dialysis Patient Scholarship**. This scholarship provides support for **residents of Arkansas, Louisiana, or Oklahoma** with end stage renal disease (ESRD) who wish to further their education or vocational training.

The American Kidney Fund (AKF) is the nation's leading nonprofit working on behalf of the 37 million Americans with kidney disease. AKF fulfills its mission by providing a complete spectrum of programs and services including top-rated health educational resources and direct financial assistance. Since 1971, AKF has helped thousands of people living with kidney disease and kidney transplants to access lifesaving medical care, disaster aid, and educational resources.

AKF helps 1 out of every 7 U.S. dialysis patients with treatment-related expenses. Nearly 75,000 patients in all 50 states and Puerto Rico received AKF grants last year. The Carolyn Wilson Dialysis Patient Scholarship is made possible by a contribution from ESRD Network 13.

Eligibility

To qualify for the Carolyn Wilson Dialysis Patient Scholarship, you must be a resident of either Arkansas, Louisiana, **or** Oklahoma **AND** have been diagnosed with ESRD (stage 5 kidney disease).

The American Kidney Fund is committed to providing scholarships to all dialysis patients who meet the following program guidelines:

- Must be a resident of Arkansas, Louisiana or Oklahoma
- Must demonstrate financial need through the expenses vs. income table (#6 on application)
- Must currently be on dialysis or a kidney transplant recipient

Qualifying Programs and Expenses

Scholarships will be provided for university, college, community college education or vocational training. Scholarship funds can only be used for tuition. Funds cannot be used for books, transportation to classes, or other needs.

Amount of Award

Scholarships of up to **\$5,000** per academic year (fall, spring, and summer semesters combined) per person will be awarded. The scholarship period lasts for one year. Funding for subsequent years will depend on availability of funds and documentation of successful completion of the previous academic year. Applicants can receive funding for up to two years but must reapply to be considered for a second year of funding.

If awarded a scholarship, funds will be paid directly to the educational or vocational institution.

If awarded, recipients are required to sign a letter of acceptance, confirming school/institution enrollment.

Application Process

Applications may be photocopied or downloaded on our website at KidneyFund.org/scholarship. To apply for the Carolyn Wilson Dialysis Patient Scholarship, you must submit the following by July 28, 2023:

- **A completed application form**
- **A Statement of Purpose:** a 2–3 page essay describing the effect of kidney disease on their lives; and how the proposed education or training program will enhance their ability to initiate, maintain or resume employment and independent living.
- **A reference letter** from a nephrology professional (doctor, nurse, social worker, dietitian) caring for the applicant with an assessment of the applicant's ability to maintain compliance with their treatment regimen, while pursuing the educational or vocational program.

Only complete applications will be accepted. Applications will be accepted by email only.

Complete applications can be emailed to:
ProfessionalEducation@KidneyFund.org

NOTE: The required reference letter and Statement of Purpose must be included in the email along with the application.

Applications must be emailed by July 28, 2023. Late or incomplete applications will not be considered. An application is not a guarantee of an award.

Reporting Requirements

In order to maintain this scholarship, AKF requires scholarship recipients to deliver a progress report (1-2 pages) at the completion of the academic term for which funding was received. Recipients must also provide a transcript within 30 days of term completion to show achievement of a minimum cumulative grade point average (GPA) of 2.5.
