My medicine tracker

A Step Ahead of IgA Nephropathy

Instructions:

In each row, enter the details for each medicine you take from its prescription label. You can ask your pharmacist for help.

In "My notes," write any side effects, if it is working and how you are taking it.

Medicine name	Dose (amount and how often)	Date prescribed	Most recent refill	Next refill	Doctor who prescribed it	Pharmacy	My notes
Example medicine	10 mg once daily	1/15/2025	4/21/2026	7/20/2026	Dr. Smith	CVS on Main St.	No side effects. Keeping blood pressure in healthy range. Taking every morning with breakfast.
